December 15th

Register in Netlearning!

The AHA Pediatric Emergency Assessment, Recognition, and Stabilization (PEARS) certification course was designed for healthcare providers that infrequently see critically ill children. PEARS prepares a student to assess, categorize, decide and act early to stabilize the child.

***You are required to obtain and review the current class manual and complete the associated pre-class assessment.
Contact Education to obtain current manual or with any questions: (603)524-3211ext 3418***

***Classes are open to the public –
call for availability and class
fees!***
