

# **EFFECTIVE IMMEDIATELY, Laboratory draws at Belknap Family Health Meredith will be closed until further notice.**

**Effective 3/24/2020 all draw locations at Laconia Clinic, LRGH and FRH will postpone routine screening laboratory testing such as lipid panel, TSH, CBC, Chemistry Profile, which have been ordered as part of routine annual provider visits.**

**Laconia Clinic will have limited hours on Monday and Thursday from 7am – 11am and both LRGH and FRH will have a phlebotomist available for testing if needed for disease conditions that are critical in nature, diagnosis dependent, medication dependent or require blood tests to monitor and for STAT testing.**
